Adamo-Faiden is an architectural office established in Buenos Aires, in 2005 by Sebastián Adamo (FADU 2003) and Marcelo Faiden (FADU 2002 – PhD. ETSAB 2016). They completed their undergraduate studies at the University of Buenos Aires and postgraduate studies at the Polytechnic University of Catalunya. Its practice extends to the field of teaching, research, and has been internationally recognized by different media and institutions. Their work was exhibited at the Chicago Architecture Biennial, the Guggenheim Museum, the Storefront for Art & Architecture in New York and at LIGA Architecture Gallery in México, among others. They were invited to teach and lecture at numerous institutions including the Royal Institute of British Architects in London, the Illinois Institute of Technology in Chicago, the École Polytechnique Fédérale in Lausanne, the Fondazione dell'Ordine degli Architetti in Milán, the Polytechnic School of Architecture in Madrid, the Politecnico di Milano, the Escola da Cidade in Sao Paulo and the Pontifical Catholic University of Chile. The work of Adamo-Faiden has been compiled into four monographs published in Italy, Spain, Chile and Argentina. They are founding directors of the “Taller de Actualización de Técnicas Projectuales” (Update Workshop on Design Techniques) a postgraduate program where academic knowledge gets organized to rewrite present-day.

Sebastián Adamo

Born in Buenos Aires in 1977. He completed his undergraduate studies at the Faculty of Architecture, Design and Urbanism of the University of Buenos Aires (FADU-UBA) and postgraduate studies in the School of Architecture of Barcelona at the Polytechnic University of Catalunya (ETSAB-UPC). He was a professor at FADU-UBA and at Torcuato Di Tella University. He was invited to teach and lecture at numerous institutions including the Royal Institute of British Architects in London, the Illinois Institute of Technology in Chicago, the École Polytechnique Fédérale in Lausanne, the Fondazione dell'Ordine degli Architetti in Milan, the Polytechnic School of Architecture in Madrid and the Pontifical Catholic University of Chile. At the present he directs together with Marcelo Faiden and Ricardo Fernandez Rojas the postgraduate course: “Taller de Actualización de Técnicas Projectuales” and is MIAW Visiting Professor at the Politecnico di Milano.

Marcelo Faiden

Born in Buenos Aires in 1977. He completed his undergraduate studies with honors at the Faculty of Architecture, Design and Urbanism of the University of Buenos Aires (FADU-UBA) and a postgraduate degree in the School of Architecture of Barcelona at the Polytechnic University of Catalunya (ETSAB-UPC). In 2016 he reached the PhD Architect degree (ETSAB-UPC) with his thesis “Los bajos de los edificios altos”. He was a professor at FADU-UBA, at the University of Palermo and at Torcuato Di Tella University. He was invited to teach and lecture in numerous institutions, including the Polytechnic School of Architecture of Madrid, the École Polytechnique Fédérale in Lausanne, the School of Architecture of Valencia, the Escola da Cidade de São Paulo and the Pontifical Catholic University of Chile. At the present he directs together with Sebastián Adamo and Ricardo Fernandez Rojas the postgraduate course: “Taller de Actualización de Técnicas Projectuales”. He currently teaches postgraduate courses in the masters of the Escola da Cidade, FADU Udelar, FADU UBA and UNC.

BUILT
